

WELLNESS MEMBERSHIP AUTO DEBIT

- **Use it or lose it:** If you miss your total amount of appointments that month, they do not accumulate into the next month. Most patients schedule their appointments out a month in advance, that way you get text reminders of your appointments so you don't forget. We are very flexible with appointments; you can always move them as needed.
- **Auto Debit:** The 5th of every month your account will be automatically debited. Please present the credit/debit/HSA card you want used when signing up for this program.
- **Discontinuing:** You need to notify us 5 business days in advance prior to the auto debit for the next month if you wish to discontinue this program at the end of 6 months. You will need to send an email or type your discontinue notice and present it to us. This is a wellness membership that will automatically continue after 6 months unless you let us know in writing you wish to discontinue. **frontdesk@amesbarrychiro.com**

I have chosen the:

Individual 1 visit/month _____ 2 visits/month plan _____ 4 visits/month plan _____
